

the legislation. The third provision, circumscribing the Secretary of Energy's longstanding authority to reorganize parts of the Department, was dropped by mutual consent. However, this legislation does not honor the agreements reached by the committees of jurisdiction: it contains all three of the provisions that were the subject of the Defense bill negotiations. If those in charge of this institution can neither honor agreements in good faith, nor ensure that legislation is considered under regular order and rules, then it will be impossible to do the work of the American people.

For all these reasons, I oppose the conference report.

HONORING DAN AGUILAR

HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Monday, October 2, 2000

Mr. McINNIS. Mr. Speaker, it is with great honor that I rise to pay tribute to a true American hero, Dan Aguilar of Vail, Colorado. Dan has been awarded the Silver Plaque International Alpine Solidarity Award, given to individuals who have risked their lives to save others in dangerous mountain accidents. Dan is a well-known mountain rescuer who deserves both the admiration and praise of this body.

Dan grew up in Dallas, Texas, where he resided for 18 years. After graduating from Crozier Tech High School, he served in the US Army in Vietnam for four years. Upon returning to the United States, he moved to Vail where he began his now renowned career in mountain rescue. Dan's love for the mountains has seen him travel the globe and conquer the most dangerous alpine trails in the world. What's more, his mountain climbing adventures have taken him to Mexico, Ecuador, Alaska and Argentina. But it is not his accomplishments as a climber or mountain biker that have earned him this prestigious award, but rather it is his courage as a mountain rescuer.

In the early 1980's, Dan suffered the crushing loss of a dear friend that completely changed his view of climbing. For some time he was unable to even fathom climbing again, but this experience eventually drove him to the line of work that has made him a living legend. He has been a member of the Vail Mountain Rescue Group in the nearly two decades since.

For Dan, saving the life of another seems to come naturally. In fact, this most recent award is not the first time he has received recognition for his devotion to helping others. Last year he was awarded the Mountain Rescue Association's Outstanding Individual Service Award. In all, it is estimated that Dan has been involved in around 500 different rescue missions, since his involvement with Mountain Rescue. His advanced rescue skills have also been utilized in rescues on Mt. Rainier in Washington, the Premiers in Russia, and the Aconcagua in South America.

Dan's dedication and incredible compassion to help others have earned him a legendary reputation and the admiration of people around the world. According to Tim Cochrane, a fellow member of Mountain Rescue, in a recent article in The Vail Daily by Tamara Miller: "Aguilar is the first volunteer rescuer in North America to win the award."

Mr. Speaker, on behalf of the State of Colorado and the US Congress I congratulate Dan on this distinguished and well-deserved award. He is a great American who deserves our gratitude and praise.

Dan, your community, State, and Nation are proud of you!

HONORING REBECCA WOOD AS THE HIGH SCHOOL TEACHER OF THE YEAR FOR FAYETTE COUNTY

HON. ERNIE FLETCHER

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Monday, October 2, 2000

Mr. FLETCHER. Mr. Speaker, I am honored to recognize an outstanding educator in the Central Kentucky community. As a mathematics teacher at Tates Creek High School, Rebecca Wood has inspired countless students to succeed through her patience and dedication.

Recently, Ms. Wood was named High School Teacher of the Year for Fayette County. Rebecca Wood has worked hard to equip her students with the math skills they will need for both daily living and higher education. For the past twenty-five years, Ms. Wood has been a leader throughout the educational community. She has served with the local and national Councils of Math Teachers and is continually working to remain on the cutting edge of math education.

Today, I join our community in recognizing an outstanding teacher who has given years of dedicated teaching to the youth of Central Kentucky. It is a pleasure to recognize Ms. Wood on the House floor today for her superior work in education which has earned her the Teacher of the Year Award.

TRIBUTE TO BOAZ SIEGEL

HON. SANDER M. LEVIN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Monday, October 2, 2000

Mr. LEVIN. Mr. Speaker, on October 20, 2000, Pipefitters Local 636 of the United Association of Journeymen and Apprentices of the Plumbing and Pipefitting Industry in southeastern Michigan will dedicate their new hall in honor of a distinguished attorney and its long-time friend, Boaz Siegel.

It represents a fitting testament to the decades of service of Boaz Siegel to the thousands of rank and file members of Pipefitters Local 636 and their families. As has been true in a number of vital areas within the construction industry in Michigan, Boaz Siegel was a pioneer in crafting, on a cooperative basis with labor and management, a series of trust funds covering the health, pension, vacation and employment security needs of countless numbers of hardworking families. He has faithfully helped these funds to grow and prosper during a remarkable nearly fifty years as legal counsel and adviser.

During three of these decades, Boaz Siegel was a professor at the law school of Wayne State University, providing stimulating and rigorous teaching and training in the fields of labor, administrative and contract law to thou-

sands of students who have become vital links in the legal profession throughout Michigan and the nation.

His intellectual brilliance combined with high integrity and the ability to see various sides of an argument led to service in many fields of public service. He used his insights as a lawyer who had represented key sectors of the labor movement to help fashion, with other labor and management appointees of Governor George Romney on a Special Commission, a report leading to long overdue reforms of the workers' compensation laws of Michigan in the mid-sixties. Earlier he had served on the Wayne County Board of Supervisors and was appointed by the U.S. Secretary of Labor as a public member of the National Council on Employee Welfare and Pension Benefit Plans.

I fully hope, as one who benefitted from Boaz Siegel's professional talents and rigor in law practice and as a long-time friend of his and his wife Bess, to be present at the building dedication on October 20. It will be a real privilege and pleasure for all of us assembled for this happy and worthy event for a truly worthy human being.

RONALD McDONALD HOUSE CHARITIES—TOP-RANKED CORPORATE CITIZEN FOR THE HISPANIC COMMUNITY

HON. SILVESTRE REYES

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, October 2, 2000

Mr. REYES. Mr. Speaker, I rise to recognize the Ronald McDonald House Charities (RMHC), McDonald's owner/operators, and the McDonald's Hispanic Operators Association for their commitment to Hispanic American higher education. Their generous ongoing support of the RMHC/Hispanic American Commitment to Educational Resources Scholarship Program (HACER) has just earned them an award from the Hispanic Scholarship Fund as one of the "top ten . . . corporate citizens for the Hispanic community."

The RMHC/HACER provides scholarship assistance to promising Hispanic American college-bound students. Since its establishment in 1985, it has awarded over \$7 million in scholarships to approximately 7,000 Hispanic American high school seniors. It is the largest high school-to-college program for Hispanic students in the country.

This pioneering diversity effort was initiated by Richard Castro, a McDonald's owner/operator in my home district, El Paso, Texas. RMHC/HACER now comprises 33 local programs, including a thriving El Paso program. All are jointly supported by RMHC, its local affiliates, and McDonald's owner/operators.

RMHC/HACER addresses the very real need to increase the Hispanic high school graduation rate and Hispanic participation in our colleges and universities. Hispanic youth drop out of high school at a higher rate than any other major RMHC/population group. They also lag far behind their peers in college attendance and graduation. HACER provides Hispanic youth an incentive and a means to change these trends.

RMHC/HACER is one of many ways that Ronald McDonald House Charities, with support from the McDonald's system, fosters and

supports the educational aspirations of America's youth. The Hispanic Scholarship Fund award is a fitting recognition of an organization that truly gives back to the community and our nation.

HONORING MORLEY BALLANTINE

HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Monday, October 2, 2000

Mr. McINNIS. Mr. Speaker, I wanted to take this moment to recognize a woman who has exemplified extraordinary dedication to philanthropic work, my friend, Morley C. Ballantine who currently serves as editor and chairman of the Durango Herald. Recently, Morley was awarded the high honor of being named Colorado's "Outstanding Philanthropist" by the Governor's Commission on National Community Service and the Association for Healthcare Philanthropy, in recognition of her support for a whole array of charitable and humanitarian based institutions. Morley's robust efforts to make her community, state and nation a better place make her more than deserving of this distinction.

Morley was chosen for the prestigious award out of over 100 nominations. Morley was nominated by four different individuals for this distinguished honor and was selected as the winner by a committee of 50.

The reasons Morley was chosen are many. Over the years, Morley has not only consistently given of her financial resources, but she has also actively participated in a host of activities geared toward helping her community and fellow man. In 1987, she helped start the Women's Resource Center in Durango, and is also a founding member of the Colorado Women's Foundation. In addition, she served on the state commission on the Status of Women, local and state League of Women's Voters' boards, local arts and library boards, the state Anti-Discrimination Commission, the Colorado Land Use Commission and the state National Historic Preservation.

This, friends and colleagues, is a truly remarkable legacy of service. It's a legacy that Morley should be proud of.

Morley's dedication and devotion to philanthropic causes both great and small is truly worthy of our praise. Mr. Speaker, on behalf of the State of Colorado and the U.S. Congress, I would like to thank Morley for her incredible efforts to benefit her community, and congratulate her on the much deserved award.

We are proud of Morley and grateful for her service.

COMMENDING THE BOYS AND GIRLS CLUB OF PITTSFIELD

HON. JOHN W. OLVER

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Monday, October 2, 2000

Mr. OLVER. Mr. Speaker, it gives me great pleasure to commend the Boys and Girls Club of Pittsfield on its 100th Anniversary. It is one of only 13 Boys and Girls clubs in the country to reach its 100th Anniversary, and over the years it has provided an invaluable service to

thousands of boys and girls throughout the region.

The national Boys and Girls Club movement was born in 1860, when a group of women in Hartford decided to provide local boys with an alternative to roaming the streets. In 1906, several Boys Clubs decided to affiliate. The Federated Boys Clubs in Boston was formed with 53 member organizations. In 1956, Boys Clubs of America received a Congressional Charter. In 1990, the name was changed to the Boys and Girls Club of America. The Boys' and Girls' Club of Pittsfield was formed in the early days of the organization and remains special and unique in our community.

The Pittsfield facility was established on June 28, 1900 as a club for boys in Pittsfield with an \$800 donation by local philanthropist Zenas Crane. It soon embarked upon a tradition of service and community involvement catering to several generations of Pittsfield youth. With an initial membership of 320, the club held its first meetings on the second floor of the Renne Block on Renne Avenue with the intent of preventing idleness and instilling healthy work and home values in its membership. Providing an array of recreational and educational opportunities for countless youth under the auspices of its first superintendent, Prentice Jordan, the club soon expanded beyond its original quarters. In 1906, when its membership grew to over 800, Crane funded a move to a more specious residence on Melville Street. Currently, the membership of the club exceeds 5000, making it the largest single-unit organization affiliated with the Boys and Girls Club of America.

The Boys and Girls Club of Pittsfield continues to inspire and enable thousands of young people to realize their full potential as productive, responsible and caring citizens. I am proud to stand and honor them today and appreciate the opportunity to recognize them before the United States Congress.

RECOGNIZING DR. FRANK S. FOLK—68 YEARS YOUNG

HON. EDOLPHUS TOWNS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, October 2, 2000

Mr. TOWNS. Mr. Speaker, I rise today to honor Dr. Frank S. Folk, a resident of Brooklyn, and to celebrate his 68th birthday. I ask my colleagues assembled here today to please join me in acknowledging Dr. Folk's remarkable life.

On this day, October 2nd, in 1932, Frank Folk was born in Vonville, South Carolina. As a young boy, Frank possessed excellence, greatness, the favor of God, love and honor, the law of kindness in tongue, morality and character. As a personal friend of Dr. Folk, I know that I can speak for his many friends and neighbors in commending him on his many years practicing medicine in Brooklyn. While Dr. Folk's professional accomplishments are too numerous to mention, I do want to point out that he has served on the Board of Directors of the New York City Health and Hospital Corporation and on Kingsbrook Hospital Executive Board—two of New York's most important health organizations.

As Chair of my Health Committee since 1991, Dr. Folk has demonstrated his commit-

ment to working to improve the health and well-being of all members of our community. He also has been honored by the American Medical Society, which has bestowed the Hektoen Gold Medal and the Hektoen Bronze Medal upon Dr. Folk. As further evidence of his accomplishments, I need only mention that Dr. Folk is certified by the American Board of Surgery, the New York State Medical Board, and the National Board of Medical Examiners. Finally, Dr. Folk serves his community and his Nation as a Colonel with the New York State Army National Guard.

Mr. Speaker, my good friend, Dr. Frank Folk, is more than worthy of receiving our birthday wishes today, and I hope that all of my colleagues will join me today in honoring this truly remarkable man.

ALLIANCE FOR JUSTICE AND PHYSICIANS FOR SOCIAL RESPONSIBILITY

HON. JANICE D. SCHAKOWSKY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, October 2, 2000

Ms. SCHAKOWSKY. Mr. Speaker, today I would like to recognize and congratulate Alliance for Justice and Physicians for Social Responsibility and the more than 200 organizations, including the Illinois Council Against Handgun Violence, North Suburban Chicago Million Mom March, and the Interfaith Initiative Against Gun Violence for their leadership of the First Monday 2000: Unite to End Gun Violence campaign. In my district, I'd like to recognize Northwestern University, the University of Illinois at Chicago, John Marshall Law and Chicago Kent College of Law for their hosting of First Monday 2000 events.

Today, in more than 350 communities across this nation, students, parents, doctors, lawyers, social workers, nurses, civic leaders, community members and elected officials will rally support for the passage of common sense gun safety legislation. These activities will include the showing of a short documentary film, "America: Up in Arms" by award-winning filmmakers Liz Garbus and Rory Kennedy. The film is a powerful presentation of the epidemic of gun violence and how it has irrevocably changed the lives of three families in America.

Gun violence is all around us. We see it every day on our television screens and read about it in our newspapers. Rarely does a night go by without our local news reporting another shooting or the morning newspapers writing about the latest victims of gun violence. Even in my hometown of Evanston, we experienced three shootings in one night. It doesn't matter if you're in Chicago or small town USA, guns are everywhere—in the schools, on the trains and in the workplace. Numbers don't lie—over 30,000 people, including 4,000 children, die each year from gun violence. We are all affected and we must all take responsibility for ensuring that our children and our communities are safe from gun violence.

With First Monday, we will add to our numbers and mobilize young men and women in communities across the country to bring even more energy to our cause. I am proud to be a part of this effort. We are energized, empowered and ready and with this unprecedented campaign we will succeed at ending gun violence.
